Book Title	A to Z Mysteries The Canary Caper
Author	Ron Roy

Ruth Rose, Josh, and Dink went to Miss Davis's house. They went there because her canary was missing. The next day Ruth Rose's cat Tiger was missing. So the kids went to the police office. But it was not just Tiger and the canary. There were more missing pets. So they found many clues. Miss Davis's pet canary was found. A little minute later Mr. Little brought her canary. But Ruth Rose said she thought Mr. Little stole her pet.

When Mr. Little left, a treasure was gone so Ruth Rose thought Mr. Little stole it. But when everybody's pets were found and the person who found the pets came into the house to drink tea the persons found everybody's pets always said "can I go to the bathroom?" The day after the people who found the pets left, something precious was always missing. When it was night. Ruth Rose, Josh, and Dink hid in the bushes and saw if there was a robber. But there was a robber. The robber was Mr. Little.

When Mr. Little went into Miss Davis's house. Miss Davis called the police and Mr. Little was trapped. So everything was found. But Tiger wasn't found. But that night Tiger was found. And when Ruth Rose found Tiger there were two more kittens. I think this story was more exciting because the story was about a robbery. I would recommend this book to my friend Min Sun Lee. I really liked this story so I would like to read this book again.
